

Land of the Giants

Cast of Characters

Please read this entire list, as many students were assigned more than one part. If your name is missing, please contact Patty Metroka immediately; all students are to receive a part assignment.

As hard as we try to give students parts they request, there are times we are unable to do so in order to cover all parts. Our hope is that students will understand that all parts are important in God's eyes, and that our combined efforts will glorify God.
